

Day – 17 :

Between, Like and In

Operator

Between Operators

Retrieve employees whose salary is between 40,000 and 60,000.

```
SELECT first_name, last_name, salary  
FROM employees  
WHERE salary BETWEEN 40000 AND 60000;
```

LIKE Operator

Find employees whose email addresses end with gmail.com.

```
SELECT first_name, last_name, email  
FROM employees  
WHERE email LIKE '%@gmail.com';
```

IN Operator

Retrieve employees who belong to either the 'Finance' or 'Marketing' departments.

```
SELECT first_name, last_name, department  
FROM employees  
WHERE department IN ('Finance', 'Marketing');
```
